MEMORANDUM FOR THE RECORD

On the morning of 25 May 1973 Cdr. Jon Howe of Dr. Kissinger's staff, requested an update of a 9 March 1973 memo prepared for Dr. Kissinger by Bruce Clarke. I related the request to Bruce Clarke telephonically and informed him Dr. Kissinger wanted the update before the end of the day on 25 May 1973. Mr. Clarke said he would try to have the update, to be handcarried by himself, to Cdr. Howe on the afternoon of 25 May 1973.
